Naloxone Training

Alger CTC in partnership with LMASDHD were able to offer a Naloxone training to Alger CTC board members. We will continue to work with our partners to offer trainings like these that help battle addiction within our community.

ANNUAL CALENDAR SALES

Every year Alger CTC has our annual calendar sale highlighting seniors within our Community. The funds raised here go to support our gas card fund. These gas cards are for individuals needing to travel for medical appointments and treatments. We are excited to announce we have officially Sold Out! Thanks again to our community for the continuous support!

Covid-19 has been hard on everyone. Alger 4H has been working hard to make 4H activities available to everyone. Even if you are not currently apart of 4H. If you are looking for some social connection, some artistic expression or just something to do. Check out their upcoming activies [here.](#)

ALGER COUNTY COMMUNITIES THAT CARE

January 2021

Dear Friend,

The Alger County Communities That Care (AC3) is made up of agencies and individuals working together to provide services that help youth and adults in our county thrive. This letter is to update you on the tremendous progress of our work and to offer you the opportunity to contribute to the cause.

In our work with youth, we provide opportunities, skills and recognition that build on their strengths and decrease problem behaviors including violence, delinquency, teen pregnancy, dropping out of school, substance abuse and depression. One of the cornerstones of our work is using data to inform our efforts. We survey all 6th, 8th, 10th and 12th graders every two years in all Alger County Schools to measure the level of risk and protective factors that affect problem behaviors. Based on the survey results, the collaborative voted to focus its efforts on three risk factors and one problem behavior: **Low Commitment to School, Perceived Risk of Use, Parental Attitudes Favor Antisocial/Drug Using Behaviors and Depression**. Our group is also focused on one protective factor: **Opportunities for Prosocial Involvement at School**.

Over the last five years, AC3 has implemented several evidence-based programs and resources to address our youth and adult needs:

- ❖ **Botvins Life Skills (6th-9th grade)**
- ❖ **Big Brothers/Big Sisters**
- ❖ **Positive Action (K-12th grade)**
- ❖ **Guiding Good Choices (parents of youth 9 to 14 yrs.)**
- ❖ **Prime for Life (12th grade & community referral)**
- ❖ **Positive Action Tool Kit**
- ❖ **Question, Persuade, and Refer Suicide Training (6th-9th grade & community)**
- ❖ **School Social Worker (Munising, Superior Central & Burt Township)**
- ❖ **Peer Recovery Coaches (Community)**

Please consider making a sponsorship commitment by **April 27, 2021**. Simply return the enclosed form and payment. If you have any further questions please contact us at algercountycctc@gmail.com

Sincerely,

Bobbi Ayotte

Bobbi E. Ayotte, AC3 President
