## What do Alger CTC gas cards pay for?

Our Alger County Community Collaborative (AC3), Adult Needs Group, has been busy fundraising (through a calendar sale) for money to assist those who have chronic and/or emergency medical needs.

Specifically, we have chosen to purchase bus tickets and gas cards for those who need to travel to medical appointments, but cannot afford to do so without financial hardship. This would include individuals seeking substance abuse assistance-Angel program, individual/group treatment and domestic violence services-Harbor House, individual/group treatment. If you have any further questions, please feel free to call or email [algercountyctc@gmail.com](mailto:algercountyctc@gmail.com) for more information.

## JOIN A WORKGROUP

Ac3 is always looking for new members. We currently are looking to add members to all of our workgroups. Our workgroups are the foundation of our successes. Whether getting information out to the public interests you or planning a large community fundraiser. We have something for everyone. If you are interested in joining a workgroup please email us at [algercountyctc@gmail.com](mailto:algercountyctc@gmail.com)
